What is it?

Collegiate Career Expo is a career fair where you can share information and discuss internship and employment opportunities with 400-500 candidates from our 13 highly-regarded colleges and universities.

How does it work?

Tables (6') will be arranged in the 500 Ballroom for your organizations. From 10 a.m. to 3 p.m., interested candidates will approach your table to talk with you and to provide you with their resumes.

What does it cost?

In order to help defray the considerable expense of sponsoring this event, your participation will cost $300 for traditional employers, $225 for government agencies, and $125 for organizations with 501(c)(3) status. Please include documentation of your status with your registration. This fee includes lunch for two, which will be provided at the Convention Center between 11:30 a.m. and 1 p.m., while the job fair continues. A $25 late fee will apply to all those registering after the December 1, 2009 early bird deadline.
